

Rising Seventh Graders: 2023 Summer Homework

Practice your Spanish so you don't forget it. It is important to review often. The idea is to keep your Spanish brain from falling asleep over the summer.

Please complete the attached summer homework in the month it is assigned. Each month has several assignments, please complete at least four tasks each month.

Do this homework online. Go to our Google Classroom page for your sixth-grade section and you will see a document with three monthly assignments: June, July, and August. Each task has a link, so you will need to access it through Google Classroom. Visit the page in the given month, do the tasks, and let us know when you have done them. You can leave a note on Google Classroom or email Sra Corinna.
