

Schoolhouse Fare, LLC

Welcome to Schoolhouse Fare!

At Schoolhouse Fare, we take all of the hassle out of preparing healthy and exciting lunches for your students. We contract with popular local restaurants to prepare and deliver fresh made-to-order lunches that are individually packaged and labeled with your student's name. Our a la carte menus are trans-fat free and offer a variety of hot and cold options including vegetarian and gluten free items when available.

As moms, we know the importance of great lunch options for our children as well as the importance of quick and easy ordering for the parents! These great lunches are available through our online ordering and pay program. Menus are posted monthly with the option of ordering for the month, week, or day. The ordering deadline is 5 days prior to the lunch date on the monthly menu and by NOON on the day prior to the lunch date on the 24-hour menu. Students, staff, and faculty can create lunches to meet their needs, individual tastes, and budget. Ordering a lunch is achieved with a few clicks on the computer or smart phone.

Schoolhouse Fare takes pride in our personalized customer service and attentiveness to each of our families. The 2023-2024 school year is our 17th year of providing our school lunch management service to schools throughout the country.

The lunch registration information flyer will be distributed by the school. The flyer will include the date that the ordering site is open for registration, the first lunch delivery date, the school registration password and much more! Once the individual account is set up, we contact the account holder directly with menu postings and updates. Schoolhouse Fare can be contacted directly to answer questions and aid as needed. We welcome suggestions of restaurants or menu items in the effort to accommodate all palates!

We look forward to serving the students, faculty, and staff at St Michael's Episcopal School!

Thank you,
Carol Fair and Bradley Morrow
