

Summer 2011

Dear Rising Seventh Graders,

Your required books for summer reading are Where the Red Fern Grows, by Wilson Rawls and The Outsiders, by S.E. Hinton. These books are available at the Midlothian Barnes and Noble, or may be purchased online.

You may choose your third summer-reading book from the Weber County Library website: www.weberpl.lib.ut.us/booklists.com. If you have difficulty getting to the website, type Weber Public Library into your search engine. Once you reach the website, click on Recommended Reading. Go to the list for grade seven. Then, you may click on the book's cover and read summaries and book reviews. The book you select should have at least one character in it so that you will be able to write a paragraph essay on this book. Obviously, the book you choose must be one that you have never read before. Please do not choose a book because your friend is reading it.

Happy reading!

Mrs. Granski
