Official Auction Rules

The evening's events begin at 6 p.m. when the doors open for guests to view the Silent auction items.

Please use your **BIDDER NUMBER** for all Silent and Live bidding. Place your bids for silent auction items by writing your bidder number on the appropriate bid line. Silent Auction bids are increased in **increments of \$10 or more**, unless otherwise noted. Items in the Special! Special! are increased in **increments of \$25**. Silent Auction winning bids are determined during the Live Auction. If you have a winning bid and you are not making any Live Auction purchases, proceed to Check-Out beginning at 9 p.m. to complete your payment. Silent and Live Auction purchases may also be paid at the end of the evening.

The Live Auction begins at 8:30 p.m. To enter a bid, raise your bidder number high in the air to attract the attention of the auctioneer. This must be repeated each time you initiate or increase your bid. Each winning bid legally obligates you to pay in full if it is deemed the high bid at the fall of the Auctioneer's paddle. The Auction is fast paced, so place your bids quickly. Payment by the successful bidder may be made immediately following the item's sale or at the end when all items are paid at one time. Please take your paid receipt to the Live Auction area to pick-up your purchases.

Payment is made by cash, check or charge (VISA, MasterCard, and AMEX). Charges are reflected on your credit card statement as "AP St. Michael's Parents." If you have any questions, contact Rawn Roman, Treasurer, St. Michael's Parents' Association. Checks made payable to St. Michael's Parents' Association. **ALL SALES ARE FINAL.**

No exchanges, refunds or substitutions except where specified under the item description in this program.

ALL ITEMS MUST BE REMOVED AT THE END OF THE EVENING.

We have endeavored to describe the items fairly. Be attentive to expirations dates and any restrictions imposed by the donor. **It is your responsibility to contact the donor as per gift certificates/gift cards. Please check your gift certificate for redemption rules.**

All contributions to St. Michael's are tax-deductible within the limits of the law. The portion of any item's purchase price that exceeds the fair market value listed in the catalog may be considered a tax deductible contribution to St. Michael's.

St. Michael's Federal Tax ID number is 20-5038516.

**Credit Card Processing System
Avoid Long Checkout Lines!**

This year guests will have the option of swiping their credit cards at registration or at the end of the evening. The system will internally encrypt the card information and link it to the appropriate bidder number (this is secure...no one can access the card information). A receipt will be printed for the guest to sign to confirm that the credit card has been linked to the bidder number. At the end of the evening, statements are printed and available for guests to pickup on their way out (these will be the itemized receipts). If a guest decides to use a different payment method (cash, check, other credit card), this is processed at the cashier's station; otherwise, the guest will simply initial a copy of the statement and collect their purchased items. If a guest makes no purchases, the credit card information is automatically deleted from the system

*Thank you to all our donors
and volunteers.*

*A special thanks to
Auctioneer Ben Hamlin and
Mistress of Ceremony
Courtney Ferrell.*
